GOVERNOR

EXECUTIVE ORDER NO. 1

THE NORTH CAROLINA BOARD OF ETHICS

WHEREAS, the people of North Carolina entrust public power to elected and appointed officials for the purpose of furthering the public, not private or personal, interest; and

WHEREAS, to maintain the public trust it is essential that government function honestly and fairly, free from all forms of impropriety, threats, favoritism, and undue influence; and

WHEREAS, elected and appointed officials must maintain and exercise the highest standards of duty to the public in carrying out the responsibilities and functions of their positions; and

WHEREAS, acceptance of authority granted by the people to elected and appointed officials imposes a commitment of fidelity to the public interest and such power cannot be used to advance narrow interest for oneself, other persons, or groups; and

WHEREAS, self interest, partiality, and prejudice have no place in decision making for the public good; and

WHEREAS, Public Officials must exercise their duties responsibly with skillful judgment and energetic dedication; and

WHEREAS, Public Officials must exercise discretion with sensitive information pertaining to public and private persons and activities; and

WHEREAS, to maintain the integrity of North Carolina's state government, those citizens entrusted with authority must exercise it for the good of the public and treat every citizen with courtesy, attentiveness, and respect; and

WHEREAS, because many public officials serve on a part-time basis, it is inevitable that conflicts of interest and appearances of conflict will occur. Often these conflicts are unintentional and slight, but at every turn those who represent the people of this State must be certain that it is the interests of the people, and not their own, that are being served. Officials should be prepared to remove themselves immediately from decisions, votes, or processes where even the appearance of a conflict of interest exists; and

WHEREAS, the State of North Carolina is committed to the responsible exercise of authority by persons of honor and good will in their government, by adopting a stronger procedure to prevent the occurrence of conflicts of interest in government and to resolve conflicts when they do occur.

NOW, THEREFORE, by the power vested in me as Governor by the Constitution and laws of the State of North Carolina, IT IS ORDERED:

Section 1.
amended.

The Board may decline to accept or investigate any attempted complaint which does not contain any of the aforementioned information, or the Board may, at its sole option and discretion, request additional information be provided by the complainant within a specified reasonable amount of time (such time to be not less than seven (7) business days), barring which the attempted complaint may be dismissed.

- (2) In addition to the foregoing, the Board may decline to accept or investigate a complaint if it determines that
- (a) the complaint is frivolous or brought in bad faith,
 - (b) the individuals and conduct complained of have already been the subject of a prior complaint, or
 - (c) the conduct complained of is primarily a matter more appropriately and adequately addressed and handled by other Federal, State, or Local agencies or authorities, including, but not limited to, law enforcement authorities. If other agencies or authorities are conducting an investigation of the same actions or conduct involved in a complaint filed pursuant to this Section, the Board shall stay its complaint investigation pending final resolution of such other investigation.
- (3) The Board also is authorized to unilaterally initiate investigations upon the request of any Board member if, in the Board member's discretion, there is reason to believe that a Public Official has or may have violated this Executive Order. There is no time limit on Board-initiated complaint investigations under this subsection. In determining whether there is reason to believe that a violation has or may have occurred, a Board member can take general notice of available

information even if not formally provided to the Board in the form of a complaint.

- (4) The Board shall promptly notify Public Officials that a complaint has been filed or initiated against them. A Public Official against whom a complaint is filed, and all other individuals against whom allegations are made in a complaint, shall be given an opportunity to file a written response with the Board. As provided in Section 10 of this Order, the Board may utilize the services of hired investigators when conducting investigations.
- (5) Public Officials shall promptly and fully cooperate with the Board in any Board related investigations. Failure to cooperate fully with the Board in any investigation shall be grounds for sanctions as set forth in Section 8 of this Order.
- (6) To the extent possible and consistent with Chapter 132 of the North Carolina General Statutes (the "Public Records Law"), it is the intent of this Order that all preliminary and ongoing investigative materials and information not be disclosed until such investigation is completed, at which time the Board shall issue its official findings and recommendations. To the extent the Board deems it necessary or advisable to enhance compliance with this Order and raise the level of ethical awareness in public service, the Board may periodically publish (either in complete or summary form) its official findings and recommendations made pursuant to third-party or Board-initiated complaint investigations. The Board shall forward a copy of its official findings and recommendations to:
- (a) the Public Official whose conduct is at issue;
 - (b) the complainant (if applicable);
 - (c) the head of the Agency in which the Public Official serves (which term includes the chair of each covered board);
 - (d) the Governor for all gubernatorial appointees and employees in the Office of the Governor; and,
 - (e) the official responsible for hiring or making the appointment of the person investigated.

(d) Advisory Opinions

The Board shall render advisory opinions as may be requested by any Public Official, any individual not otherwise a Public Official who is responsible for the supervision or appointment of someone who is a Public Official, Agency heads (which term includes the chair of each covered board), and legal counsel for covered Agencies or boards. The request shall be in writing and relate prospectively to real or reasonably-anticipated fact settings or circumstances. The Board shall issue advisory opinions having prospective application only. Advisory opinions are not intended to and shall not serve as substitute or *de facto* complaints against Public Officials for past conduct. Staff to the Board may issue advisory opinions under such circumstances and procedures as may be prescribed by the Board.

(e) Ethics Education and Awareness Program.

- (1) The Board shall develop and implement an ethics education and awareness program designed to instill in all Public Officials a keen and continuing awareness of their ethical obligations and a sensitivity to situations that might result in real or potential conflicts of interest or appearances of conflict of interest.
- (2) Upon request, the Board shall make basic ethics education and awareness presentations to all Agency heads, their chief deputies or assistants, and all other Public Officials subject to this Order. Such presentations shall stress the Rules of Conduct for Public Officials as set out below and provide attendees with practical tools to aid in identifying and neutralizing real or potential conflicts of interest. Covered Public Officials and those responsible for appointing, supervising, or advising such Public Officials are strongly encouraged to attend a basic ethics education and awareness presentation as soon as reasonably practicable.
- (3) In addition, upon request the Board shall assist each Agency in developing such in-house educational programs, procedures, workshops, or seminars as are necessary or desired to meet the Agency's particular needs for ethics education, conflict identification, and conflict avoidance.
- (4) The Board shall produce and distribute to all Public Officials a newsletter designed to further the goals and objectives of this Order. In particular, such newsletter shall inform Public Officials of the Board's policies, procedures, and opinions having widespread applicability or interest, and shall provide such other information as may be helpful in raising the level of ethical awareness in public service.
- (5) The Board shall assemble and maintain a collection of relevant North Carolina laws, rules, and regulations that set forth ethical standards applicable to Public Officials, which collection shall be made available as resource material to all Public Officials and ethics liaisons upon request.

Section 6. Duties of the "Heads of State Agencies."

- (a) The head of each State Agency (which term includes the chair of each board subject to this Order) shall take an active role in furthering ethics in public service and ensuring compliance with this Order. The head of each State Agency shall make a conscientious, good-faith effort to assist Public Officials within the Agency (or on the board) in monitoring their personal, financial, and professional affairs to avoid taking any action which results in a conflict of interest or the appearance of conflict.
- (b) The head of each State Agency shall maintain familiarity with and stay knowledgeable of the reports, opinions, newsletters, and other communications from the Board of Ethics regarding ethics in general and the interpretation and enforcement of this Order. Agency heads shall also maintain familiarity with and stay knowledgeable of the Board's reports, evaluations, opinions, or findings regarding individual Public Officials in his or her Agency or on his or her board or under his or her supervision or control, including all such reports, evaluations, opinions, or findings pertaining to actual or potential conflicts of interest.
- (c) When an actual or potential conflict of interest is cited by the Board of Ethics in regard to a Public Official sitting on a board, then the conflict shall be recorded in the minutes of the applicable board and duly brought to the attention of the membership by the entity's chair as often as necessary to remind all members of the conflict and help ensure compliance with this Order.
- (d) The head of each State Agency shall periodically remind Public Officials under his or her authority of their duties to the public under the Rules of Conduct herein, including the duty of each Public Official to monitor, evaluate, and manage his or her personal, financial, and professional affairs to ensure the absence of conflicts of interest or appearances of conflict.
- (e) At the beginning of any official meeting of a covered board, the chair shall remind all members of their duty to avoid conflicts of interest and appearances of conflict pursuant to this Order. The chair also shall inquire as to whether there is any known conflict of interest or appearance of conflict with respect to any matters coming before the board at that time.
- (f) Agency heads shall ensure that legal counsel employed by or assigned to their Agencies are familiar with the provisions of this Order (particularly the Rules of Conduct set out in Section 7 below) and are available to advise Public Officials on the ethical considerations involved in carrying out their public duties in the best interest of the public. Legal counsel so engaged may consult with the Board of Ethics, seek the Board's assistance or advice, and refer Public Officials and others to the Board of Ethics as appropriate.
- (g) Taking into consideration the individual autonomy, needs, and circumstances of each Agency covered by this Order, Agency heads shall consider the need for the development and implementation of in-house educational programs, procedures, or policies tailored to meet the Agency's particular needs for ethics education, conflict identification, and conflict avoidance. This should include, at a minimum, the periodic presentation to all Agency heads, their chief deputies or assistants, and other Public Officials under their supervision or control of the basic ethics education and awareness presentation outlined in Section 5 above and any other workshop/seminar program the Agency head deems necessary in implementing the provisions of this Order. Agency heads may request reasonable assistance from the Board of Ethics in complying with the requirements of this subsection.
- (h) As soon as reasonably practicable after the designation, hiring, or promotion of their chief deputies, assistants, or other Public Officials under their supervision or control, or learning of the appointment or election of other Public Officials to an Agency head's board covered under this Order, all Agency heads shall (1) notify the Board of Ethics of such designation, hiring,

promotion, appointment, or election and (2) provide all such Public Officials with copies of this Order (together with any subsequent amendments thereto) and all applicable financial disclosure forms (including, without limitation, Statement of Economic Interest disclosure form(s) pursuant to Section 9 below), if such materials and forms have not been previously provided to such Public Officials by their appointing authorities. In order to avoid duplication of effort, Agency heads shall coordinate this effort with the Board's staff.

Section 7. Rules of Conduct for Public Officials.

Public Officials shall perform their official duties in a manner to promote the best interests of the public. To help ensure the proper performance of their duties, the following Rules of Conduct are adopted.

(a) Conflicts of Interest

- (1) A Public Official shall not knowingly use his or her position in any manner which will result in financial benefit, direct or indirect, to the Public Official, the Official's family, or an individual with whom or business, organization, or group with which the Public Official is associated. This provision shall not apply to financial and other benefits (a) derived by a Public Official that he or she would enjoy to an extent no greater than that which other citizens of North Carolina would or could enjoy, (b) rightfully gained by a Public Official pursuant to the proper performance of his or her official duties or State employment, or (c) that are so remote, tenuous, insignificant, or speculative that a reasonable person would conclude under the circumstances that the Public Official's ability to protect the public interest and perform his or her official duties would not be compromised.
- (2) A Public Official shall not, directly or indirectly, knowingly ask, accept, demand, exact, solicit, seek, assign, receive, or agree to receive anything of value for himself or herself, or for another person, in return for being influenced in the discharge of his or her official responsibilities, other than that which is received by the Public Official from the State for acting in his or her official capacity.
- (3) A Public Official shall not solicit or receive personal financial gain, other than that received by the Public Official from the State for acting in his or her official capacity, for advice or assistance given in the course of carrying out the Public Official's duties.
- (4) A Public Official shall not use or disclose information gained in the course of, or by reason of, his or her official responsibilities in a way that would affect a personal financial interest of the Public Official, a member of the Official's family, or a person with whom or business, organization, or group with which the Public Official is associated. A Public Official shall not improperly use or disclose any information deemed

confidential by North Carolina law and therefore not a public record.

- (5) A Public Official shall not cause the employment, appointment, promotion, transfer, or advancement of a family member to a State or local office or position which the Public Official supervises or manages. A Public Official shall not participate in an action relating to the disciplining of a member of the Public Official's family.
- (b) Appearances of Conflict
- (1) A Public Official shall make every effort to avoid even the appearance of a conflict of interest. An appearance of conflict exists when a reasonable person would conclude from the circumstances that the Public Official's ability to protect the public interest, or perform public duties, is compromised by familial, personal, or financial interests. An appearance of conflict could exist even in the absence of a true conflict of interest.
 - (2) A Public Official shall take reasonable and appropriate steps, under the particular circumstances and considering the type of proceeding involved, to remove himself or herself, to the extent necessary to protect the public interest and comply with this Order, from any proceeding in which the Public Official's impartiality might reasonably be questioned due to the Official's familial, personal, or financial relationship with a participant in the proceeding. A "participant" includes, but is not limited to, (a) an owner, shareholder, partner, employee, agent, officer, or director of a business, organization, or group involved in the proceeding, or (b) an organization or group which has petitioned for rulemaking or has some specific, unique, and substantial interest in the proceeding. "Proceeding" includes, but is not limited to, both quasi-judicial proceedings (like contested case hearings) and quasi-legislative proceedings (like most rulemaking). A "personal relationship" includes, but is not limited to, one in a leadership or policy-making position (such as officers or directors) in a business, organization, or group.
 - (3) If a Public Official is uncertain whether the relationship in question justifies removing himself or herself from the proceeding pursuant to this subsection, then the Official shall disclose the relationship to the person presiding over the proceeding and seek appropriate guidance. The presiding officer, in consultation with legal counsel if necessary, shall then determine the extent to which, if any, the Public Official will be permitted to participate. If the affected Public Official is the person presiding, then the vice chair or such other substitute presiding officer shall make the determination. A good-faith determination under this subsection of the allowable degree of participation by a Public Official is presumptively valid and only subject to review under Section 8

below upon a clear and convincing showing of mistake, fraud, abuse of discretion, or willful disregard of the provisions of this Order.

(c) **Other Rules of Conduct**

- (1) A Public Official shall make a due and diligent effort before taking any action (such as voting or participating in discussions with other Public Officials on a board) to determine whether he or she has a conflict of interest or appearance of conflict.
- (2) A Public Official shall continually monitor, evaluate, and manage his or her personal, financial, and professional affairs to ensure the absence of conflicts of interest and appearances of conflicts.

Section 8 Sanctions.

(a) Public Officials serving on boards, commissions, or councils.

The North Carolina General Statutes provide that certain appointees to boards, commissions, and councils may be removed from office for misfeasance, malfeasance, or nonfeasance. The failure of any Public Official serving on a board, commission, or council to comply with this Order is hereby deemed to be misfeasance, malfeasance, or nonfeasance as used in the General Statutes. In the event of misfeasance, malfeasance, or nonfeasance, the offending Public Official shall be subject to removal from the board, commission, or council of which he or she is a member. For gubernatorial appointees, the Governor shall determine whether to remove the Public Official. For all other appointees, the appointing authority shall exercise the discretion of whether to remove the offending Public Official.

(b) Public Officials serving as State employees.

The provisions within this Executive Order are hereby deemed to be written work rules. The failure of any Public Official to comply with this Order shall be a violation of a written work rule thereby permitting disciplinary action as allowed by North Carolina law, including termination from employment. Except for State employees brought under the terms of this Order pursuant to Section 4, the Governor shall make all final decisions on the manner in which offending Public Official State employees shall be disciplined. For State employees subject to this Order pursuant to Section 4, the elected or appointed head of the Agency in which the Public Official State employee works shall determine whether and what disciplinary action shall be taken.

(c) Sanctions issued by the Board of Ethics

If the Board of Ethics determines, after proper review and investigation, that such action is appropriate, the Board may issue such sanctions or rulings as it deems necessary or appropriate to protect the public interest and ensure compliance with the terms of this Order, specifically including, without limitation, Section 7 (Rules of Conduct for Public Officials).

In formulating appropriate sanctions, the Board may consider, without limitation, the following factors:

- (1) the Public Official's prior experience in an Agency or on a covered board and prior opportunities to learn the Rules of Conduct for Public Officials, including those dealing with conflicts of interest and appearances of conflict of interest;

- (2) the number of ethics violations;
- (3) the severity of the violations;
- (4) whether the violations involve the Public Official's financial interests or arise from an appearance of conflict of interest;
- (5) whether the violations were inadvertent or intentional; whether the Public Official knew or should have known that the improper conduct was a violation of this Order;
- (6) whether the Public Official has previously been sanctioned by the Board of Ethics;
- (7) whether the conduct or situation giving rise to the violation was pointed out to the Public Official in the Board's Statement of Economic Interest evaluation letter issued pursuant to Section 9 below;
- (8) the Public Official's motivation or reason for the improper conduct or actions (for example, personal financial gain versus protection of the public interest).

(d) Recommendations by the Board of Ethics.

If the Board of Ethics determines, after proper review and investigation, that such action is appropriate, the Board may recommend any action it deems necessary, including removal of the Public Official from his or her State position, to properly address and rectify any violation of this Order by a Public Official. As it deems necessary and proper, the Board may make referrals to appropriate State officials, including law enforcement officials, for investigation of wrongful conduct by State employees or appointees, regardless of whether the individual is a Public Official under this Order, discovered during the course of a complaint investigation. Nothing in this provision is intended, and shall not be construed, to give the Board of Ethics any independent civil, criminal, or administrative investigative or enforcement power or authority over Public Officials or other State employees or appointees.

Section 9. Statement of Economic Interest.

- (a) Each of the following Public Officials shall file with the Board of Ethics a sworn Statement of Economic Interest ("Statement"):
 - (1) Public Officials appointed by the Governor to a board, commission, or council.
 - (2) Public Officials hired for State employment to a position which is anticipated to have annual compensation in excess of \$40,000 per year.
 - (3) Public Officials appointed or employed whose position is determined by the Board to be particularly susceptible to conflicts of interest.

- (a) All North Carolina real estate owned wholly or in part by the Public Official or the Official's spouse.

This subsection (f) includes, but is not limited to, interests held in partnerships, limited partnerships, joint ventures, limited liability companies or partnerships, and closely held corporations.

For each non-publicly owned company or business entity listed pursuant to this subsection (f), the filing Public Official shall indicate whether the listed company/entity owns securities or equity interests exceeding a value of \$10,000 in any other companies or entities. If so, then the other companies or entities shall also be listed with a brief description of the business activity of each.

- (g) If the filing Public Official, his or her spouse, or dependent children are the Beneficiary of a trust created, established or controlled by the Public Official, then the name and address of the trustee and a description of the trust shall be provided. To the extent such information is available to the Public Official, the Statement also shall include a list of businesses in which the trust has an ownership interest exceeding \$10,000.

- (h) The filing Public Official shall make a good faith effort to list any individual or business entity with which the filing Public Official has a financial or professional relationship provided:

- (1) a reasonable person would conclude that the nature of the financial or professional relationship presents a

conflict of interest or the appearance of a conflict of interest for the Public Official; or,

- (2) a reasonable person would conclude that any other financial or professional interests of the individual or business entity would present a conflict of interest or appearance of a conflict of interest for the Public Official.

For each individual or business entity listed under this subsection, the filing Public Official shall describe the financial or professional relationship and provide an explanation of why the individual or business entity has been listed.

- (i) A list of all other assets and liabilities with a valuation of at least \$10,000 including bank accounts and debts.

- (3) In addition to the foregoing, the filing Public Official shall provide in his or her Statement any other information which a reasonable person would conclude is necessary either to carry out the purposes of this Order or to fully disclose any potential conflict of interest or appearance of conflict. If a Public Official is uncertain of whether particular information is necessary, then the Public Official shall consult the Board for guidance.

- (4) Each Statement of Economic Interest shall contain a sworn certification by the filing Public Official that he or she has read the Statement and that, to the best of his or her knowledge and belief, the Statement is true, correct, and complete. **EXECUTIVE ORDER NUMBER NO. 3
BUDGET ADMINISTRATION**

WHEREAS, Article III, Sec. 5(3) of the Constitution of North Carolina provides that the State may not operate at a deficit during the fiscal period covered by a budget. For these purposes, a "deficit" is defined as having been incurred when total expenditures for the fiscal period of the budget exceed the total of receipts during the period, plus the surplus remaining in the State Treasury at the beginning of the period. The fiscal period for the current budget is July 1, 2000 through June 30, 2001; and,

WHEREAS, to insure that the State does not incur a deficit for the fiscal year covered by a budget, Article III, Sec. 5(3) of the Constitution requires the Governor to continually survey the collection of revenue. If, as a result of his surveys, he determines that actual receipts for the fiscal period, when added to the surplus remaining in the Treasury at the beginning of the fiscal period, will not be sufficient to pay budgeted expenditures, the Governor, after first making adequate provisions for the prompt payment of the principal and interest on the State's outstanding bonds and notes, must effect the necessary economies in State expenditures to keep the deficit from occurring; and,

WHEREAS, continually surveying the collection of the State's revenues pursuant to Article III, Sec. 5 (3) of the Constitution is a normal function of the Office of State Budget, Planning, and Management (OSBPM) and reports on its surveys are received routinely by the Governor; and,

WHEREAS, OSBPM has provided the Governor with detailed briefings on the growing fiscal year 2000-01 deficit and, along with the Office of the Governor, has also advised members of the General Assembly of the situation, including the President Pro-Tempore of the Senate and the Speaker of the House of Representatives; and,

WHEREAS, as detailed in a memorandum from the Governor to Department Heads and Chief Fiscal Officers dated January 23, 2001, OSBPM estimated a substantial deficit for fiscal year 2000-01 and recommended immediate action; and,

WHEREAS, on January 23, 2001, OSBPM, at the direction of the Governor, reduced state agency expenditures by approximately four percent (4%) on an annualized basis for the remainder of the fiscal year; and,

WHEREAS, on January 23, 2001, the University of North Carolina System and the North Carolina Community College System made similar reductions in expenditures; and,

WHEREAS, as detailed in a memorandum from the Governor to Department Heads and Chief Fiscal Officers dated February 6, 2001, OSBPM estimates, in light of January 2001 collections and new economic forecasts, a growing substantial deficit for fiscal year 2000-01 that will not be covered by the reduction in expenditure measures adopted on January 23, 2001; and,

WHEREAS, in light of OSBPM estimates, the budget enacted by the General Assembly for fiscal year 2000-01 cannot be administered as enacted without the State incurring a deficit in its administration; and,

WHEREAS, it is found as a fact that based on General Fund revenue collections through January 31, 2001, and projections for these revenues through June 30, 2001, actual receipts for the

current fiscal year will not meet the expenditures anticipated and budgeted by the 1999 General Assembly; and,

WHEREAS, from this fact it is determined and concluded that unless further economies in State expenditures are made, the State's General Fund expenditures will exceed General Fund receipts, for the current fiscal year.

NOW THEREFORE, by the authority vested in me as Governor by Article III, Sec. 5(3) of the North Carolina Constitution to insure that a deficit is not incurred in the administration of the budget for fiscal year 2001, IT IS ORDERED:

Section 1. OSBPM will reduce, as necessary, State expenditures from Funds appropriated to operate State departments and institutions, and implement monthly allotment expenditure and review measures.

Section 2. OSBPM will halt, as necessary, expenditures for capital improvement projects for which State funds have been appropriated but not placed under State contract and, as necessary, transfer any unused capital improvement funds to the General Fund.

Section 3. OSBPM will transfer, as necessary, non-General Fund and non-Highway Fund receipts into the General Fund to support appropriation expenditures in order to avoid a deficit in the General Fund.

Section 4. OSBPM may borrow, as necessary, receipts from non-General Fund State receipts and non-Highway Fund State receipts for support of General Fund appropriation expenditures.

Section 5. OSBPM may, as necessary, order the delay or cancellation of purchase orders in State General Fund-supported departments and institutions;

Section 6. OSBPM may, as necessary, take other steps as directed by the Governor to insure that a deficit is not incurred for fiscal year 2001.

Section 7. The Office of the State Controller, as advised by the State Budget Officer, is directed to monitor disbursements as presented on requisitions for CASH and, as necessary, shall release CASH requisitions in the following priority order for payment of:

1. State debt;
2. payrolls and public assistance benefits;
3. State aid to local government;
4. health and medical provider payments; and
5. all other necessary expenditures.

Section 8. The Office of the State Controller, as advised by the State Budget Officer, is directed to receive the employer portion of retirement contributions for all State funded retirement systems and to escrow such funds in a special reserve as established by OSBPM.

EXECUTIVE ORDERS

Before taking such action, OSBPM is directed to confirm with the State Treasurer that such action will not impair the actuarial integrity of the state retirement system. Return of all such receipts shall be made to the retirement system, if possible, after determination that such funds are not necessary to address the deficit. The Office of the State Controller, as advised by the State Budget Officer, is directed also to receive the local government reimbursement funds and to escrow such funds in a special reserve as established by OSBPM. Return of all such receipts shall be made to the local government reimbursement funds, if possible, after determination that such funds are not necessary to address the deficit.

This Executive Order is effective immediately and shall remain in effect, as written, until terminated or amended by further Executive Order.

Citation to Existing Rule Affected by this Rule-making: 02 NCAC 48F .0305 - Other rules may be proposed in the course of the rule-making process.

Authority for the Rule-making: G.S. 106-202.15; 106-202.21

Statement of the Subject Matter: This Rule establishes requirements for collection and sale of ginseng. Proposed changes would prohibit collection of plants less than five years old and require replanting of seed from collected plants.

Reason for Proposed Action: Due to increasing export sales of ginseng root, there is concern about over-harvest of wild ginseng. The proposed rule changes would prohibit harvest of plants less than five years old and require that seed from collected plants be replanted in the immediate vicinity.

Comment Procedures: Written comments may be submitted to Marj Boyer, Secretary, North Carolina Plant Conservation Board, PO Box 27647, Raleigh, NC 27611.

Authority for the Rule-making: G.S. 25-9-526 (eff. July 1, 2001)

Statement of the Subject Matter: Article 9 of the UCC regulates the filing of UCC documents including, but not limited to: place of filing; duties of the filing officer; contents of documents; debtor and secured party responsibilities; types of collateral; and fees for filing UCC documents.

Reason for Proposed Action: The 2000 General Assembly, in Senate Bill 1305, rewrote Article 9 (Secured Transactions) of the Uniform Commercial Code after studying model legislation from the National Conference of Commissioners on Uniform State Laws. The new law, at G.S. 25-9-526 (eff. July 1, 2001) directs the Department to adopt rules in consultation with Model Rules, revised eff. October 2000, promulgated by the International Association of Corporate Administrators. The Department intends to file temporary rules to coincide with the Senate Bill 1305 effective date of July 1, 2001.

Comment Procedures: To comment on the proposed action or to receive a copy of the draft administrative rules when they are completed, contact Scott Templeton, Deputy Secretary, NC Department of the Secretary of State, PO Box 29622, Raleigh, NC 27626-0622, or preferably by email at stemplet@mail.secstate.state.nc.us

Citation to Existing Rule Affected by this Rule-making: 18 NCAC 05 - Other rules may be proposed in the course of the rule-making process.

RULE-MAKING PROCEEDINGS

Reason for Proposed Action: *The rule is proposed for amendment as a result of changes to G.S. 20-96 in the 2000 Session of the General Assembly. In House Bill 1840, Section 25.11, ratified June 30, 2000, language was added which allowed a law enforcement officer to seize or detain any commercial vehicle operating under the authority of a motor carrier when the motor carrier has been assessed a fine pursuant to G.S. 20-17.7 and that fine has not been paid. Section (g) of this Rule is being deleted because conditions for penalty are incorporated into G.S. 20-96.*

Comment Procedures: *Any interested person may submit written comments on the proposed rule by mailing the comments to Emily Lee, NCDOT, 1501 Mail Service Center, Raleigh, NC 27699-1501 by July 16, 2001.*

Statement of the Subject Matter: *Rules state conditions under which commercial driver training schools operate.*

PROPOSED RULES

This Section contains the text of proposed rules. At least 60 days prior to the publication of text, the agency published a Notice of Rule-making Proceedings. The agency must accept comments on the proposed rule for at least 30 days from the publication date, or until the public hearing, or a later date if specified in the notice by the agency. The required comment period is 60 days for a rule that has a substantial economic impact of at least five million dollars (\$5,000,000). Statutory reference: G.S. 150B-21.2.

TITLE 15A – DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES

Notice is hereby given in accordance with G.S. 150B-21.2 that the NC Marine Fisheries Commission intends to amend the rules cited as 15A NCAC 03M .0301 and .0506. Notice of Rule-making Proceedings was published in the Register for 15A NCAC 03M .0301 on December 15, 1999 and for 15A NCAC 03M .0506 on October 2, 2000.

Proposed Effective Date: August 1, 2002

Public Hearing:

Date: March 19 and March 28, 2001

Time: 7:00 p.m.

Location: March 19 – Coastal Carolina Community College, AD Guy Technology Bldg., Room BT101, 444 Western Boulevard, Jacksonville, NC; March 28 – Ocracoke Community Center, Ocracoke, NC.

Reason for Proposed Action: 15A NCAC 03M .0301 – Prohibition of gill nets south of Cape Lookout would cause State waters to reflect what the South Atlantic Fisheries Management Plan for mackerel presently requires in the EEZ. This would prevent a directed gill net fishery for king mackerel in State waters to be established. Allowing three king mackerel per person per day would allow for bycatch. Requiring fishermen fishing for king mackerel in State waters would clarify the interpretation of the rule, ease enforcement problems, and require that only permitted fishermen be contributing to the quota. 15A NCAC 03M .0506 – Changes to the harvest and possession limit for red porgy made effective by the National Marine Fisheries Service on August 29, 2000, lifted the moratorium on red porgy in the EEZ. The Marine Fisheries Commission adopted a temporary rule implementing the limits required for compliance which implements Amendment 12 to the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region. Unless this Rule is adopted, the prohibition remains for red porgy for North Carolina fishermen.

Comment Procedures: Written comments are encouraged and may be submitted to the MFC, Juanita Gaskill, PO Box 769, Morehead City, NC 28557. Oral comments may be presented at two public hearings scheduled as follows: March 19 – Coastal Carolina Community College, AD Guy Technology Building, Room BT101, 444 Western Boulevard, Jacksonville; March 28 – Ocracoke Community Center, Ocracoke, NC. All hearings begin at 7:00 p.m. Oral presentation lengths may be limited, depending on

the number of people that wish to speak at the public hearings. The public comment period will end on April 2, 2001. The Marine Fisheries Commission will consider this Rule and the public comments at a business session scheduled for March 29-30 at the Ocracoke Community Center, Ocracoke, NC.

Authority for the rulemaking: Clean Water Act of 1999; House Bill 1160, Part VII; S.L. 1999-329

Reason for Proposed Action: The purpose of the proposed temporary rules is to protect and preserve existing 50-foot wide riparian buffers within the mainstem of the Catawba River Basin below Lake James and along the mainstem lakes from Lake James to the North Carolina/South Carolina state line in the Catawba River Basin in order to maintain their pollutant removal functions as an aid in protecting water quality of the lakes and connecting river segments. The mainstem lakes include Lake James, Lake Rhodhiss, Lake Hickory, Lookout Shoals Lake, Lake Norman, Mountain Island Lake and Lake Wylie (North Carolina portion). This notice sets out the text of the proposed temporary rule for comment.

The Clean Water Act of 1999 enacted by the North Carolina General Assembly includes authorization to the North Carolina Environmental Management Commission to adopt temporary rules to protect water quality within the Catawba River Basin. The authorizing legislation requires a notice of intent to adopt temporary rules to set out the text of the proposed rule and for the Commission to accept written comment on the proposed temporary rule for at least 30 days after the notice of intent is published in the North Carolina Register. The authorizing legislation further requires a public hearing to be held within the river basin of the proposed temporary rule. The Environmental Management Commission will hold two public hearings and encourages the submission of written comments.

CHAPTER 2 - ENVIRONMENTAL MANAGEMENT

SUBCHAPTER 2B - SURFACE WATER AND WETLAND STANDARDS

15A NCAC 02B .0243 CATAWBA RIVER BASIN: PROTECTION AND MAINTENANCE OF EXISTING RIPARIAN BUFFERS

The following is the management strategy for maintaining and protecting existing riparian buffers along the Catawba River mainstem below Lake James and along mainstem lakes from and including Lake James to the North Carolina and South Carolina border in the Catawba River Basin.

- (1) **PURPOSE.** The purpose of this Rule shall be to protect and preserve existing riparian buffers along the Catawba River mainstem below Lake James and along mainstem lakes from and including Lake James to the North Carolina and South Carolina border in the Catawba River Basin in order to maintain their pollutant removal functions as an aid in protecting the water quality of the lakes and connecting river segments.
- (2) **DEFINITIONS.** For the purpose of this Rule, these terms shall be defined as follows:
 - (a) "Channel" means a natural water-carrying trough cut vertically into low areas of the land surface by erosive action of concentrated flowing water or a ditch or canal excavated for the flow of water. (current definition in Forest Practice Guidelines Related to Water Quality, 15A NCAC 01I .0102)
 - (b) "Forest plantation" means an area of planted trees that may be conifers (pines) or hardwoods. On a plantation, the intended crop trees are planted rather than naturally regenerated from seed on the site, coppice (sprouting), or seed that is blown or carried into the site.
 - (c) "High Value Tree" means a tree whose stump diameter is equal to or exceeding 18-inch.
 - (d) "Mainstem lakes" means the following impoundments created along the mainstem of the Catawba River: Lake James, Lake Rhodhiss, Lake Hickory, Lookout Shoals Lake, Lake Norman,

Mountain Island Lake and Lake Wylie (North Carolina portion).

- (e) "Perennial waterbody" means a natural or man-made basin that stores surface water permanently at depths sufficient to preclude growth of rooted plants, including lakes, ponds, sounds, non-stream estuaries and ocean. For the purpose of the State's riparian buffer protection program, the waterbody must be part of a natural drainageway (i.e., connected by surface flow to a stream).
- (f) "Shoreline stabilization" is the in-place stabilization of a severely eroding bank. Stabilization techniques which include "soft" methods or natural materials (such as root wads, or rock vanes) may be considered as part of a restoration design. However, stabilization techniques that consist primarily of "hard" engineering, such as concrete lined channels, rip rap, or gabions, while providing bank stabilization, will not be considered restoration or enhancement in most cases.
- (g) "Stream restoration" is defined as the process of converting an unstable, altered or degraded stream corridor, including adjacent riparian zone and flood-prone areas to its natural or referenced, stable conditions considering recent and future watershed conditions.
- (h) "Stump diameter" means stump diameter of a tree, which is measured at 6 inch above ground surface level.
- (i) "Surface water" means all waters of the state as defined in G.S. 143-212 except underground waters.
- (j) "Tree" means a woody plant with a stump diameter equal to or exceeding six inches.
- (3) **APPLICABILITY.** This Rule shall apply to a 50-foot wide riparian buffer directly adjacent to surface waters along the Catawba River mainstem below Lake James and along mainstem lakes in the Catawba River Basin, excluding wetlands. Wetlands adjacent to surface waters or within 50 feet of surface waters shall be considered as part of the riparian buffer but are regulated pursuant to 15A NCAC 02H .0506. The riparian buffers protected by this Rule shall be measured pursuant to Item (4) of this Rule. Riparian buffers adjacent to surface waters of the Catawba River mainstem below Lake James and mainstem lakes shall be subject to this Rule unless one of the following applies.
 - (a) **EXEMPTION WHEN EXISTING USES ARE PRESENT AND ONGOING.** This Rule shall not apply to portions of the riparian buffer where a use is existing and ongoing according to the following:
 - (i) A use shall be considered existing if it was present within the riparian buffer as of June 30, 2001. Existing uses shall include, but not be limited to, agriculture, buildings, industrial facilities, commercial areas, transportation

facilities, maintained lawns, utility lines and on-site sanitary sewage systems. Only the portion of the riparian buffer that contains the footprint of the existing use is exempt from this Rule. Change of ownership through legal purchase or inheritance is not considered change of use. Activities necessary to maintain uses are allowed provided that no additional vegetation is removed from Zone 1 except that grazed or trampled by livestock and existing diffuse flow is maintained. Grading and revegetating Zone 2 is allowed provided that the health of the vegetation in Zone 1 is not compromised, the ground is stabilized and existing diffuse flow is maintained.

(ii) A use shall be considered as existing if projects or proposed development at a minimum have established a vested right under North Carolina zoning law as of the effective date of this Rule, based on at least one of the following criteria:

- (A) Substantial expenditures of resources (time, labor, and money) based on a good faith reliance upon having received a valid local government approval to proceed with the project;
- (B) Having an outstanding valid building permit in compliance with G.S. 153A-344.1 or G.S. 160A-385.1;
- (C) Having an approved site specific or phased development plan in compliance with G.S. 153A-344.1 or G.S. 160A-385.1;
- (D) Project requires a 401 Certification/404 Permit and these were issued prior to the effective date of this Rule; or
- (E) Projects that require a state permit, such as landfills, NPDES wastewater discharges, land application of residuals and road construction activities, are built or a state permit was issued prior to the effective date of this Rule.

(b) **LOCAL GOVERNMENTS THAT HAVE APPROVED RIPARIAN BUFFER ORDINANCES.** All local governments that have land use authority along the Catawba River mainstem below Lake James and along mainstem lakes in the Catawba River Basin may adopt local riparian buffer ordinances to protect water quality. The Division shall approve the local riparian buffer ordinance within 30 days after receiving the request from local governments, if the Division determines that the local riparian buffer ordinance provides equal to or greater water quality protection than this Rule. This Rule shall not apply in any area where a local government has obtained the Division's approval of the local riparian buffer ordinance, provided that the local government is

implementing and enforcing the approved local riparian buffer ordinance. The Division, upon determination that the local government is failing to implement or enforce the approved local buffer ordinance, shall notify the local government in writing of the local program inadequacies. If the local government has not corrected the deficiencies within 90 days of receipt of written notification, then the Division shall implement and enforce the provisions of this Rule.

(4) **ZONES OF THE RIPARIAN BUFFER.** The protected riparian buffer shall have two zones as follows:

- (a) Zone 1 shall consist of a forested area that is undisturbed except for uses provided for in Item (6) of this Rule. The location of Zone 1 shall be as follows:
 - (i) For the Catawba River mainstem below Lake James, Zone 1 shall begin at the most landward limit of the top of bank or the rooted herbaceous vegetation and extend landward a distance of 30 feet on all sides of the surface water, measured horizontally on a line perpendicular to the surface water.
 - (ii) For the mainstem lakes located on the Catawba River mainstem, Zone 1 shall begin at the most landward limit of the high water level and extend landward a distance of 30 feet, measured horizontally on a line perpendicular to the surface water.
- (b) Zone 2 shall consist of a stable, vegetated area that is undisturbed except for activities and uses provided for in Item (6) of this Rule. Grading and revegetating Zone 2 is allowed provided that the health of the vegetation in Zone 1 is not compromised. Zone 2 shall begin at the outer edge of Zone 1 and extend landward 20 feet as measured horizontally on a line perpendicular to the surface water. The combined width of Zones 1 and 2 shall be 50 feet on all sides of the surface water along the Catawba River mainstem below Lake James and along mainstem lakes in the Catawba River Basin.

(5) **DIFFUSE FLOW REQUIREMENT.** Diffuse flow of runoff shall be maintained in the riparian buffer by dispersing concentrated flow and reestablishing vegetation.

- (a) Concentrated runoff from new ditches or manmade conveyances shall be converted to diffuse flow before the runoff enters Zone 2 of the riparian buffer.
- (b) Periodic corrective action to restore diffuse flow shall be taken if necessary to impede the formation of erosion gullies.

(6) **TABLE OF USES.** The following chart sets out the uses and their designation under this Rule as exempt, allowable, or allowable with mitigation. Any uses, which

(7) REQUIREMENTS FOR CATEGORIES OF USES. Uses designated as exempt, allowable, allowable with mitigation and prohibited in Item (6) of this Rule shall have the following requirements:

- (a) EXEMPT. Uses designated as exempt are allowed within the riparian buffer. Exempt uses shall be designed, constructed and maintained to minimize soil disturbance and to provide the maximum water quality protection practicable. In addition, exempt uses shall meet requirements listed in Item (6) of this Rule for the specific use.
- (b) ALLOWABLE. Uses designated as allowable may proceed within the riparian buffer provided that there are no practical alternatives to the requested use pursuant to Item (8) of this Rule. These uses require written authorization from the Division or the local government with approved riparian buffer ordinance.
- (c) ALLOWABLE WITH MITIGATION. Uses designated as allowable with mitigation may proceed within the riparian buffer provided that there are no practical alternatives to the requested use pursuant to Item (8) of this Rule and an appropriate mitigation strategy has been approved pursuant to Item (10) of this Rule. These uses require written authorization from the Division or the local government with approved riparian buffer ordinance.
- (d) PROHIBITED. All uses not designated as exempt, allowable or allowable with mitigation are considered prohibited and may not proceed within the

riparian buffer unless a variance is granted pursuant to Item (9) of this Rule. Mitigation may be required as one condition of a variance approval.

(8) DETERMINATION OF "NO PRACTICAL ALTERNATIVES." Persons who wish to undertake uses designated as allowable or allowable with mitigation shall submit a request for a "no practical alternatives" determination to the Division or to the local government with approved riparian buffer ordinance. The applicant shall certify that the criteria identified in Sub-Item (8)(a) of this Rule are met. The Division or the local government with approved riparian buffer ordinance shall grant an Authorization Certificate upon a "no practical alternatives" determination. The procedure for making an Authorization Certificate shall be as follows:

- (a) For any request for an Authorization Certificate, the Division or the local government with approved riparian buffer ordinance shall review the entire project and make a finding of fact as to whether the following requirements have been met in support of a "no practical alternatives" determination:
 - (i) The basic project purpose cannot be practically accomplished in a manner that would better minimize disturbance, preserve aquatic life and habitat, and protect water quality.
 - (ii) The use cannot practically be reduced in size or density, reconfigured or redesigned to better minimize disturbance, preserve aquatic life and habitat, and protect water quality.

- (iii) Best management practices shall be used if necessary to minimize disturbance, preserve aquatic life and habitat, and protect water quality.
- (b) Requests for an Authorization Certificate shall be reviewed and either approved or denied within 60 days of receipt of a complete submission based on the criteria in Sub-Item (8)(a) of this Rule by either the Division or the local government with approved riparian buffer ordinance. Failure to issue an approval or denial within 60 days shall constitute that the applicant has demonstrated "no practical alternatives." The Division or the local government with approved riparian buffer ordinance may attach conditions to the Authorization Certificate that support the purpose, spirit and intent of the riparian buffer protection program. Complete submissions shall include the following:
 - (i) The name, address and phone number of the applicant;
 - (ii) The nature of the activity to be conducted by the applicant;
 - (iii) The location of the activity, including the jurisdiction;
 - (iv) A map of sufficient detail to accurately delineate the boundaries of the land to be utilized in carrying out the activity, the location and dimensions of any disturbance in riparian buffers associated with the activity, and the extent of riparian buffers on the land;
 - (v) An explanation of why this plan for the activity cannot be practically accomplished, reduced or reconfigured to better minimize disturbance to the riparian buffer, preserve aquatic life and habitat and protect water quality; and
 - (vi) Plans for any best management practices proposed to be used to control the impacts associated with the activity.
- (c) Any disputes over determinations regarding Authorization Certificates shall be referred to the Director for a decision. The Director's decision is subject to review as provided in Articles 3 and 4 of G.S. 150B.
- (9) VARIANCES. Persons who wish to undertake uses designated as prohibited may pursue a variance. The Division or the appropriate local government with approved riparian buffer ordinance may grant variances. The variance request procedure shall be as follows:
 - (a) For any variance request, the Division or the local government with approved riparian buffer ordinance shall make all of the finding of fact to insure that the following requirements have been met:
 - (i) There are practical difficulties or unnecessary hardships that prevent compliance with the strict letter of the riparian buffer protection requirements. Practical difficulties or unnecessary hardships shall be evaluated in accordance with the following:
 - (A) If the applicant complies with the provisions of this Rule, he/she can secure no reasonable return from, nor make reasonable use of, his/her property. Merely proving that the variance would permit a greater profit from the property shall not be considered adequate justification for a variance. Moreover, the Division or the local government with approved riparian buffer ordinance shall consider whether the variance is the minimum possible deviation from the terms of this Rule that shall make reasonable use of the property possible.
 - (B) The hardship results from application of this Rule to the property rather than from other factors such as deed restrictions or other hardship.
 - (C) The hardship is due to the physical nature of the applicant's property, such as its size, shape, or topography, which is different from that of neighboring property.
 - (D) The applicant did not cause the hardship by knowingly or unknowingly violating this Rule.
 - (E) The hardship is unique to the applicant's property, rather than the result of conditions that are widespread. If other properties are equally subject to the hardship created in the restriction, then granting a variance would be a special privilege denied to others, and would not promote equal justice.;
 - (ii) The variance is in harmony with the general purpose and intent of the Catawba River Basin's riparian buffer protection requirements and preserves its spirit; and
 - (iii) In granting the variance, the public safety and welfare have been assured, water quality has been protected, and substantial justice has been done.
 - (b) Variance requests shall be reviewed and approved based on the criteria in Sub-Item (9)(a) of this Rule by the either the Division or the local government with approved riparian buffer ordinance pursuant to G.S. 153A-Article 18, or G.S. 160A-Article 19. The Division or the local government with approved riparian buffer ordinance may attach conditions to the variance approval that support the purpose, spirit and intent of the riparian buffer protection program. Requests for appeals of decisions made by the Division shall be made to the Office of Administrative Hearings. Request for appeals made

by the local government with approved riparian buffer ordinance shall be made to the appropriate Board of Adjustment under G.S. 160A-388 or G.S. 153A-345 for determinations made by the local government with approved riparian buffer ordinance.

(10) MITIGATION. Persons who wish to undertake uses designated as allowable with mitigation shall meet the following requirements in order to proceed with their proposed use.

(a) Obtain a determination of "no practical alternatives" to the proposed use pursuant to Item (8) of this Rule.

(b) Obtain approval for a mitigation proposal pursuant to 15A NCAC 02B .0244.

(11) REQUIREMENTS SPECIFIC TO FOREST HARVESTING. The following requirements shall apply for forest harvesting operations and practices.

(a) The following measures shall apply in Zone 1 of the riparian buffer:

(i) Logging decks and sawmill sites shall not be placed in the riparian buffer.

(ii) Timber felling shall be directed away from the water body.

(iii) Skidding shall be directed away from the water body and shall be done in a manner that minimizes soil disturbance and prevents the creation of channels or ruts in accordance with 15A NCAC 01I .0203 as enforced by the Division of Forestry Resources.

(iv) Individual trees may be treated to maintain or improve their health, form or vigor.

(v) Harvesting of dead or infected trees or application of pesticides necessary to prevent or control extensive tree pest and disease infestation shall be allowed. These practices must be approved by the Division of Forest Resources for a specific site. The Division of Forest Resources must notify the Division of all approvals.

(vi) Removal of individual trees that are in danger of causing damage to structures or human life shall be allowed.

(vii) Natural regeneration of forest vegetation and planting of trees, shrubs, or ground cover plants to enhance the riparian buffer shall be allowed provided that soil disturbance is minimized. Plantings shall consist primarily of native species.

(viii) High intensity prescribed burns shall not be allowed.

(ix) Application of fertilizer shall not be allowed except as necessary for permanent stabilization. Broadcast application of fertilizer or herbicides to the adjacent forest stand shall be conducted so

that the chemicals are not applied directly to or allowed to drift into the riparian buffer.

(b) In Zone 1, forest vegetation shall be protected and maintained. Selective harvest as provided for below is allowed on forest lands that have a deferment for use value under forestry in accordance with G.S. 105-277.2 through G.S. 277.6 or on forest lands that have a forest management plan prepared or approved by a registered professional forester. Copies of either the approval of the deferment for use value under forestry or the forest management plan shall be produced upon request. For such forest lands, selective harvest is allowed in accordance with the following:

(i) Tracked or wheeled vehicles are not permitted except at stream crossings designed, constructed and maintained in accordance with 15A NCAC 01I .0203 as enforced by the Division of Forestry Resources.

(ii) Soil disturbing site preparation activities are not allowed.

(iii) Trees shall be removed with the minimum disturbance to the soil and residual vegetation.

(iv) The following provisions for selective harvesting shall be met:

(A) The first 10 feet of Zone 1 directly adjacent to the stream or waterbody shall be undisturbed except for the removal of individual high value trees as defined.

(B) In the outer 20 feet of Zone 1, trees greater than 12-inch diameter stump may be cut and removed. The reentry time for harvest shall be no more frequent than every 15 years, except on forest plantations where the reentry time shall be no more frequent than every five years. In either case, the trees remaining after harvest shall be as evenly spaced as possible.

(C) In Zone 2, harvesting and regeneration of the forest stand shall be allowed in accordance with 15A NCAC 01I .0100 - .0200 as enforced by the Division of Forestry Resources.

(12) OTHER LAWS, REGULATIONS AND PERMITS. In all cases, compliance with this Rule does not preclude the requirement to comply with all federal, state and local regulations and laws.

15A NCAC 02B .0244 CATAWBA RIVER BASIN: MITIGATION PROGRAM FOR PROTECTION AND MAINTENANCE OF EXISTING RIPARIAN BUFFERS IN THE CATAWBA RIVER BASIN

TEMPORARY RULES

The following are the requirements for the Riparian Buffer Mitigation Program for the Catawba River Basin.

- (1) PURPOSE. The purpose of this Rule is to set forth the mitigation requirements that apply to maintain and protect existing riparian buffers on the Catawba River mainstem below Lake James and mainstem lakes from and including Lake James to the North Carolina/South Carolina border in the Catawba River Basin, as described in Rule 15A NCAC 02B .0243.
- (2) APPLICABILITY. This Rule applies to persons who wish to impact a riparian buffer in the Catawba Basin when one of the following applies:
 - (a) A person has received an Authorization Certificate pursuant to 15A NCAC 02B .0243 for a proposed use that is designated as "allowable with mitigation."
 - (b) A person has received a variance pursuant to 15A NCAC 02B .0243 and is required to perform mitigation as a condition of a variance approval.
- (3) THE AREA OF MITIGATION. The required area of mitigation shall be determined by either the Division or a local government with an approved riparian buffer ordinance according to the following:
 - (a) The impacts in square feet to each zone of the riparian buffer shall be determined by the Division or a local government with an approved riparian buffer ordinance by adding the following:
 - (i) The area of the footprint of the use causing the impact to the riparian buffer.
 - (ii) The area of the boundary of any clearing and grading activities within the riparian buffer necessary to accommodate the use.
 - (iii) The area of any ongoing maintenance corridors within the riparian buffer associated with the use.
 - (b) The required area of mitigation shall be determined by applying the following multipliers to the impacts determined in Sub-item (3)(a) of this Rule to each zone of the riparian buffer:
 - (i) Impacts to Zone 1 of the riparian buffer shall be multiplied by 2.
 - (ii) Impacts to Zone 2 of the riparian buffer shall be multiplied by 1.5.
- (4) THE LOCATION OF MITIGATION. The mitigation effort shall be the same distance from the Catawba River as the proposed impact and as close to the location of the impact as feasible.
- (5) ISSUANCE OF THE MITIGATION DETERMINATION. The Division or a local government with an approved buffer program shall issue a mitigation determination that specifies the required area and location of mitigation pursuant to Items (3) and (4) of this Rule.
- (6) OPTIONS FOR MEETING THE MITIGATION DETERMINATION. The mitigation determination made pursuant to Item (5) of this Rule may be met through one of the following options:

- (a) Payment of a compensatory mitigation fee to the Riparian Buffer Restoration Fund pursuant to Item (7) of this Rule.
 - (b) Donation of real property or of an interest in real property pursuant to Item (8) of this Rule.
 - (c) Restoration or enhancement of a non-forested riparian buffer. This shall be accomplished by the applicant after submittal and approval of a restoration plan pursuant to Item (9) of this Rule.
- (7) PAYMENT TO THE RIPARIAN BUFFER RESTORATION FUND. Persons who choose to satisfy their mitigation determination by paying a compensatory mitigation fee to the Riparian Buffer Restoration Fund shall meet the following requirements:
 - (a) SCHEDULE OF FEES: The amount of payment into the Fund shall be determined by square feet of mitigation determination made pursuant to Item (5) of this Rule by ninety-six cents per square foot.
 - (b) The required fee shall be submitted to the Division of Water Quality, Wetlands Restoration Program, Mail Service Center 1619, Raleigh, NC 27699-1619 prior to any activity that results in the removal or degradation of the protected riparian buffer for which a "no practical alternatives" determination has been made.
 - (c) The payment of a compensatory mitigation fee may be fully or partially satisfied by donation of real property interests pursuant to Item (8) of this Rule.
 - (d) The Division shall review the fee outlined in Sub-item (7)(a) of this Rule every two years and compare it to the actual cost of restoration activities conducted by the Department, including site identification, planning, implementation, monitoring and maintenance costs. Based upon this biennial review, the Division shall recommend revisions to Sub-item (7)(a) of this Rule when adjustments to this Schedule of Fees are deemed necessary.
 - (8) DONATION OF PROPERTY. Persons who choose to satisfy their mitigation determination by donating real property or an interest in real property shall meet the following requirements:
 - (a) The donation of real property interests may be used to either partially or fully satisfy the payment of a compensatory mitigation fee to the Riparian Buffer Restoration Fund pursuant to Item (7) of this Rule. The value of the property interest shall be determined by an appraisal performed in accordance with Sub-item (8)(d)(iv) of this Rule. The donation shall satisfy the mitigation determination if the appraised value of the donated property interest is equal to or greater than the required fee. If the appraised value of the donated property interest is less than the required fee calculated pursuant to Sub-item (7)(a) of this Rule, the applicant shall pay the remaining balance due.

- (b) The donation of conservation easements to satisfy compensatory mitigation requirements shall be accepted only if the conservation easement is granted in perpetuity.
- (c) Donation of real property interests to satisfy the mitigation determination shall be accepted only if such property meets all of the following requirements:

RULES REVIEW COMMISSION MEETING DATES

	February 28, 2001	
March 15, 2001		April 19, 2001
May 17, 2001		June 14, 2001
July 19, 2001		August 16, 2001

The Rules Review Commission meeting has been rescheduled from Thursday, February 15, 2001 to Tuesday, **February 28, 2001**.

The Rules Review Commission is likely to review rules filed by February 20, 2001, at the February 28, 2001, meeting. In other words, rules which would normally be reviewed on March 15, 2001, will likely be reviewed on February 28, 2001.

The only reason that would not happen is if the volume of rules filed left inadequate time for review by staff and commission.

The following rule 21 NCAC 33 .0106 has been removed from the NC Administrative Code (NCAC). The Rules Review Commission (RRC) objected to existing language in the rule and the rulemaking agency did not satisfy the objection. Therefore, RRC returned the rule to the adopting agency and the Codifier removed the rule from the NCAC effective the date of RRC's action to return the rule. See G.S. 150B-21.8(c) and G.S. 150B-21.12.

CONTESTED CASE DECISIONS

STATE OF NORTH CAROLINA
COUNTY OF HAYWOOD

IN THE OFFICE OF
ADMINISTRATIVE HEARINGS
99 CPS 1160

TERRY RAMEY D/B/A RAMEY'S WRECKER SERVICE,
Petitioner,

v.

N.C. DEPARTMENT OF CRIME CONTROL AND
PUBLIC SAFETY
N.C. STATE HIGHWAY PATROL,
Respondent.

RECOMMENDED DECISION

ISSUE

Whether the Highway Patrol has enforced its rules concerning wrecker rotation in an arbitrary and capricious manner since June 23, 1999.

BACKGROUND

Petitioner had filed an earlier case, File No. 98 CPS 0460, wherein he alleged, in pertinent part, that Respondent was enforcing its rules in an arbitrary and capricious manner.

Administrative Law Judge Dolores O. Smith issued a Recommended Decision in that earlier case on February 22, 1999, wherein she recommended:

1. That the Respondent create a Special Heavy Equipment Tow Rotation Log in Haywood County; and
2. That random checks of wrecker service compliance be conducted in Haywood County.

In support of the first recommendation, Judge Smith found, in pertinent part, that Petitioner had purchased a prototype 50 ton wrecker, which was larger than any wrecker in the vicinity and was capable of towing heavily loaded cement trucks, large buses and other heavy vehicles. In that case, Petitioner testified that most of these calls were low revenue producing calls and other large wrecker services routinely turned them down because they were incapable of towing them and that when he was called to these low revenue type calls he lost his place on the heavy rotation list, thereby missing out on more lucrative calls. (P.E. #1, F of F # 50-61).

The second recommendation was based on findings of fact and a conclusion of law that although First Sergeant Valentine conducted investigations when complaints were registered, he did not conduct regular inspections of wrecker services as required by the rules. (P.E. # 1, C of L # 4).

Although Petitioner alleged, in the earlier case, that another wrecker service, Moe Bandy's, was not in compliance with the regulatory requirements, Judge Smith concluded that there was insufficient evidence to show whether Moe Bandy violated any regulations or whether Sergeant Valentine was aware of any alleged violations. (P.E. #1, C of L #3).

Petitioner also alleged, in the earlier case, that Moe Bandy received preferential treatment from the Highway Patrol and that Moe Bandy appeared on the rotation log more than once under different names. This allegation was not substantiated. (P.E. # 1, C of L # 5).

The Highway Patrol Commander issued a Decision and Order in the above referenced earlier case on June 23, 1999, adopting the findings of fact and conclusions of law of Judge Smith and directing that each of her two recommendations be implemented in Haywood County. (P.E. # 2) (Note: Random inspections were required under the old administrative rules (14A NCAC 0306(b)) (P.E. # 6) but are not required under the new rules implemented subsequent to the issuance of the Recommended Decision and Decision and Order. (See 14A NCAC 9H.0321(b) (R.E. # 1)).

CONTESTED CASE DECISIONS

On or about August 5, 1999, First Sergeant Valentine, the supervisor who at that time was responsible for overseeing Highway Patrol operations in Haywood County, provided each large wrecker service with a copy of the Patrol Commander's Decision and Order and a letter prepared by him which stated, in pertinent part:

If you are interested in having your wrecker service placed on the Special Heavy Equipment Rotation Log, you are to certify below that you wish to be included. All wrecker services to be included on this log must be able to demonstrate that they can, in fact, pull a large motor home or bus. (P.E. # 4; T pp 16-18).

Four large wrecker services in Haywood County requested to be included on the new Special Heavy Equipment Rotation Log. Those services are Sutton's, Moe Bandy's, Wilke's Garage and Doyle's. (T pp 12-13). Petitioner did not request to be included on the log and, therefore, was not included. (T p 53).

Although the letter from First Sergeant Valentine stated that wrecker services desiring to be placed on the specialized log "must be able to demonstrate that they can, in fact, pull a large motor home or bus," no test was actually administered by the Highway Patrol. (T pp 15-18). Since the inception of the Special Heavy Equipment Rotation Log in Haywood County, however, the Highway Patrol has not received any complaints and the wrecker services on the list appear to be getting the job done in a satisfactory manner. (T. pp 54-55). No evidence was presented that any wrecker service on the Special Heavy Equipment Rotation Log was turning down calls due to an inability to handle the job or for any other reason.

On or about 31 August 1999, Petitioner filed a Petition for Contested Case Hearing in the above captioned matter. In his Petition, he specifically alleged that Respondent:

- a. Adopted a new CAD down rotation system in violation of North Carolina Administrative Procedures Act without proper notice and public hearing;
- b. Failed to properly follow procedures with respect to whether the drivers on wrecker rotation are in compliance with the "existing" rules of the Highway Patrol for wrecker services and failing to remove wrecker owners in violation of said rules; and
- c. Further, since March 11, 1999, for failing to carry out the adaptation of the Administrative Law Judge's ruling directing the creation of a special wrecker rotation system for specialty wreckers.

This matter previously came on for hearing on March 28, 2000, Robert Roosevelt Reilly, Jr., Administrative Law Judge, presiding. At that time, an agreement was reached between the parties that the matter should be stayed in order to allow Respondent time to promulgate new rules related to rotation wrecker services and Judge Reilly issued an ORDER TO STAY on April 6, 2000.

On or about June 5, 2000, Respondent filed Temporary Rules as directed by Judge Reilly. Those rules were subsequently accepted by the Office of Administrative Hearings and published in the North Carolina Register.

Although Respondent promulgated new temporary rules, Petitioner has asked for a hearing which was heard by the undersigned at Black Mountain, North Carolina, on October 25, 2000.

Pursuant to G.S. §150-B-23(a), in order for the Office of Administrative Hearings to have jurisdiction over this matter, Petitioner must allege that Respondent has deprived the Petitioner of property, has ordered the Petitioner to pay a fine or civil penalty, or has otherwise substantially prejudiced the Petitioner's rights and that the Respondent:

1. Exceeded its authority or jurisdiction;
2. Acted erroneously;
3. Failed to use proper procedure; Acted arbitrarily or capriciously; or
4. Failed to act as required to act as required by law or rule.

Respondent filed a Motion to Dismiss. After hearing evidence on Respondent's Motion and reviewing the parties' Pretrial Orders, the undersigned determined that the only basis of jurisdiction as alleged by the pleadings and record, and, therefore, the sole issue to be decided in this case is whether the Highway Patrol, since June 23, 1999, has enforced its rules in an arbitrary and capricious manner in Haywood County and, if so, whether in doing so, substantially prejudiced the Petitioner's rights.

FINDINGS OF FACT

1. When First Sergeant Workman assumed the duties as First Sergeant for Haywood County in October 1999, the Special Heavy Equipment Tow Rotation Log and new temporary rules were already in place. Upon assuming command of the District, however, Sergeant Workman reviewed the existing files on wrecker services that were on the rotation list and directed his Line Sergeants to conduct periodic inspections and to document the results. (T pp 20-21, 58). Sergeant Workman removed three wrecker services from the rotation log permanently and one temporarily for not being in compliance with the rules. (T pp 38, 59). Other wrecker services, including Petitioner, were given an opportunity to correct less serious discrepancies in order to avoid being removed from the rotation log. (T pp 58-60). Although Petitioner's largest wrecker (what he describes as a prototype 50 ton wrecker) is not in compliance with the newly adopted administrative rules, it has not been removed from the rotation log because, in the judgment of the Highway Patrol, it is capable of getting the job done. (T pp 60-62, 121-22).

2. At the hearing of this contested case, as in the earlier case (98 CPS 0460), Petitioner presented a substantial amount of evidence related to "Moe Bandy's," a wrecker service, which is owned and operated by James Autrey and which Petitioner claims receives special treatment from the Highway Patrol. Specifically, Petitioner contends that Moe Bandy's wrecker service is in violation of numerous rules but has not been removed from the rotation list by the Highway Patrol. This same allegation was addressed at the earlier hearing in which Judge Smith concluded that there was insufficient evidence that Moe Bandy was violating any of the rules. (P.E. # 1, C of L # 5). Despite Judge Smith's earlier ruling, Petitioner contends that Moe Bandy's wrecker service has been in violation of the administrative rules since June 23, 1999, and that Moe Bandy's should have been removed from the rotation log pursuant to 14A NCAC 9H.0321(31)(b) which states, in pertinent part: "Once placed on the rotation wrecker list, a wrecker service that fails to comply with the requirements of these rules shall be removed from the rotation list." (R.E. # 1). Petitioner alleges that he has been substantially prejudiced by the Highway Patrol's failure to remove Moe Bandy's from the rotation log and that such inaction by the Highway Patrol constitutes arbitrary and capricious enforcement of its rules.

3. James Autrey has been on the Highway Patrol rotation log and doing business under the assumed name of Moe Bandy's wrecker service for approximately fifteen (15) years; during which time he has not had any complaints from the public. (T pp 157-58, 193). He currently has three (3) wreckers (1 large, 1 medium and 1 small) (T p 176) and his large wrecker is on the Special Heavy Equipment Rotation log. (T pp 195-96).

4. Moe Bandy's wrecker service was inspected by the Highway Patrol in October 1999, January 2000 and again in June 2000. (T pp 42-43, 68, 90). Each of these inspections consisted of on-site inspections of his storage lot, wreckers and related equipment. (T pp 34-35, 42-43, 68-69). Petitioner argues that these inspections, if conducted properly, would have disclosed violations of the rules. (T pp 68, 78, 81, 90-92).

5. Although James Autrey reported that his business office was located at his residence, none of the inspections conducted since June 1999, included an inspection of that office. (T pp 26, 34-35, 42-44, 90-92). 14A NCAC 9H.0321(2) states, in pertinent part; "a wrecker service must have a full-time office within the Rotation Wrecker Zone that is manned and open for business at least eight hours per day, five days per week. . . ." Petitioner argues that by failing to inspect Moe Bandy's business office located at his residence, the Highway Patrol was unable to ensure compliance with this rule. Witnesses for the Highway Patrol testified, however, that the home business office had been previously inspected by Sgt. Valentine (T p 168), the address was listed in the Computer Assisted Dispatch (CAD) log (T p 82) and that they relied, in good faith, on James Autrey's representations because there had never been any complaints from the public. (T pp 68, 78, 81). Significantly, James Autrey maintained a second office in a large white trailer located on his storage lot, which he testified he manned not less than eight hours per day, five days per week. This business office was, at times, sparsely furnished. James Autrey testified that the trailer has a desk and storage cabinets (T p 161) and that when he rented a lot from Joe Powell, he provided electricity by running drop cords from a barn. (T p 163). He also ran a telephone line from the same barn. (T p 164). More recently, however, James Autrey purchased an adjacent piece of property as a storage lot on Devine Way. (T pp 165, 167, 186). His office is currently located in a big white trailer, marked with "Moe Bandy's Wrecker Service" in three-foot high letters and he now uses generators to supply his own electricity and his telephone service is provided by cellular service rather than a land-line. (T pp 169-71). The office at the storage lot is open from 6 a.m. until 2 p.m. and he then works out of his home from 2 p.m. until approximately 9 p.m. He does not have any employees assisting him; he staffs the office himself. (T p 169). Although Moe Bandy's wrecker service does not have additional employees, the office is manned for not less than eight hours per day by James Autrey and is monitored by his cellular telephone while on calls. Obviously, the office will be unmanned at any time James Autrey is working a wreck or otherwise on the road, but he has a cellular telephone.

6. Petitioner presented evidence related to 14 NCAC 0308(11) which requires that a storage facility be secured by a 6-foot high chain link fence, or a fence of similar strength, or other barrier sufficient to deter trespassing or vandalism. Moe Bandy's storage facility is secured with a six-foot high chain link fence and gate as required which Sergeant Sorrell testified was, in his opinion, more secure than Petitioner's storage facility. (T pp 68-69, 86, 197).

CONTESTED CASE DECISIONS

7. Petitioner presented a great deal of evidence that Moe Bandy does not have a listed telephone number and that his telephone number is not painted on one of his three wreckers. There is, however, no specific requirement that a wrecker service be listed in the telephone directory. (14A NCAC 9H.0321(2)); or that a telephone number be painted on the wrecker trucks (T pp 192-93); nor has the Highway Patrol received any complaints from the public about not being able to locate or get in touch with Moe Bandy's Wrecker Service. (T pp 44, 82).

8. Petitioner presented evidence that suggested that Moe Bandy may have been operating out of the same storage facility as another wrecker operator, Joe Powell; in violation of 14A NCAC 9H.0308(11). This allegation was not corroborated by any of the witnesses, however, and James Autrey testified that he leased the property from Joe Powell and that Joe Powell did not operate a wrecker service on that property until he purchased an adjacent piece of property on Devine Way, and that is where his storage lot is currently located. (T pp 165, 167, 186).

9. Petitioner presented evidence that Moe Bandy does not have a business license issued by Haywood County, which Haywood County does not require to operate a wrecker service. (T pp 78-79, 159-160).

10. Petitioner presented evidence that the Highway Patrol never checked with the Register of Deeds to determine whether James Autrey filed an Assumed Name Certificate disclosing that he was operating under the assumed name of Moe Bandy. The evidence disclosed that Highway Patrol officials are not familiar with Assumed Name Certificates and had never checked such files. (T pp 79-80). 14A NCAC 9H.0321(12) states that wrecker firms: "Must adhere to all Federal and State laws and local ordinances and regulations related to registration and operation of wrecker services and insurance as required by G.S. 20-309(a). (Emphasis added). Assumed name certificates are not specifically related to registration or operation of wrecker services; indeed searching such files would appear to be clearly beyond the scope and intent of the rules. There was no evidence presented that Moe Bandy's wreckers are not properly registered and James Autrey testified that he has the required \$750,000 insurance on his large wrecker. (T p 198).

11. Petitioner's wrecker service may be larger than Moe Bandy's and other firms in Haywood County and the evidence shows that Petitioner may invest more money on overhead expenses than Moe Bandy's and other wrecker services in Haywood County. The additional overhead costs incurred by Petitioner are related to his wrecker business generally but are significantly related to the rules promulgated by the Highway Patrol. When asked what percentage of his wrecker business is related to Highway Patrol rotation calls, Petitioner responded: "very small." Additionally, no evidence was presented to show that Petitioner is losing a significant amount of revenue as a consequence of Moe Bandy being on the rotation log. In fact, Petitioner never asked to be placed on the special heavy equipment log and cannot, therefore, be prejudiced in any way by Moe Bandy being on that log.

12. It is more likely than not that James Autrey has not complied with all rules and standards of the Highway Patrol concerning the operation of his wrecker service—no office open fulltime to the public at least eight hours a day, failing to give proper notice before changing business location, a proper telephone listing, and not being available to the public on a 24-hour basis.

BASED UPON THE FOREGOING FINDINGS OF FACT, the undersigned enters the following:

CONCLUSIONS OF LAW

The Highway Patrol has allowed James Autrey to operate Moe Bandy Wrecker Service and remain on its heavy equipment wrecker rotation log even though Autrey has not complied with all the Patrol's rules and standards, which is not fair to those services following the rules.

WHEREFORE, based upon the foregoing Findings Of Fact and Conclusions Of Law, the undersigned makes the following:

RECOMMENDED DECISION

That the Patrol Commander issue a Final Decision ordering a full inspection to determine whether or not James Autrey's wrecker service in Haywood County is in compliance with the Patrol's rules and standards with the result that if he is not he will be removed from the rotation log until the deficiencies are corrected.

ORDER

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, 6714 Mail Service Center, Raleigh, North Carolina 27699-6714, in accordance with North Carolina General Statute 150B-36(b).
